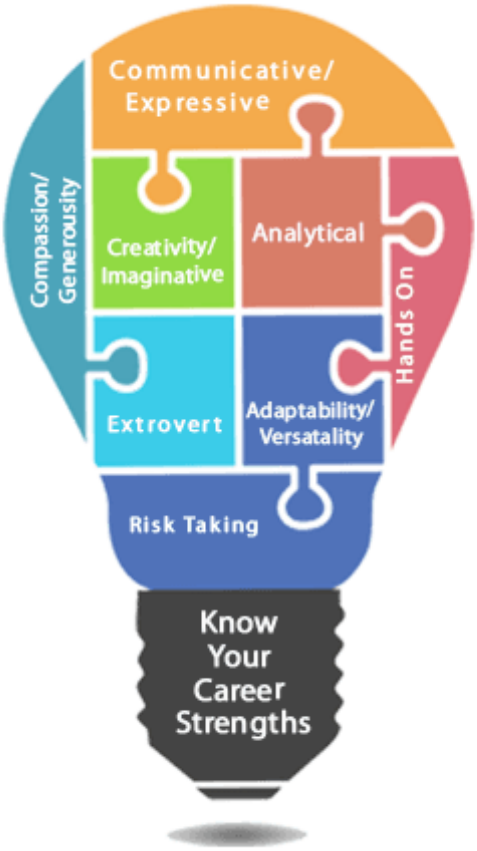
SECTION 1: PERSONALITY TRAITS

"My Choice My Future" (MCMF) uses your responses to the 72-item questionnaire to measure twelve personality traits. Your responses reflect your dominant/less dominant personality traits. The personality dimensions assessed are: Adaptability/Versatility; Risktaking; Analytical; Communicative/Expressive; Compassion/Generosity; Creativity/Imaginative; Determination/Focus; Discipline; Extrovert; Hands-on; Independence and Reliability/Responsibility. Various studies in the past have measured these personality traits under different nomenclature.

These twelve personality traits are classified into basic personality traits (four) and career oriented personality traits (eight). The four basic personality traits are important irrespective of your career choice. Your career interest and personality will be mapped based on the eight career oriented personality traits.



Disclaimer: This analysis report is generated based on your responses to the questionnaire items. BodhBridge ESPL does not express warranty on accuracy or completeness or usefulness of this personalized MCMF analysis report generated based on your inputs.
